Description

KD VICE SLALOM SKI BOOT

The ultimate in comfort and control, the all new KD Vice binding sets a new standard for waterski bindings. The high wrap provides maximum support of the ankle and lower leg, which translates straight into control over the ski. The unique combination of lace and Velcro allows for a tight fit combined with easy entry, no lubrication needed! The front lace section allows the skier to control the amount of tension over the forefoot. Neoprene flex zones allow for forward lean and Medium – Soft PU upper translates movements straight from the legs to the ski.
