Wakeboarding: OBrien Fremont Wakeboard

Description

"Inspired by the Paradigm flex board, but at a more wallet-friendly price, the Fremont is a do-it-all boat and cable board. In the Fremont, we captured the essence of all that makes the Paradigm such an outstanding hybrid board; the same featureless bottom and durable, removable Blunt fins, the stiff midsection but flexible tip and tail, the DuraRail Edge and the straight edge profile. The Fremont is great for intermediate riders, but pros love it,too."
