

KD Redline Slalom Ski Blank 2020

KD REDLINE SLALOM SKI The Redline is the Patriarch of the KD family, having a rich history with several face lifts and countless happy riders over the past 35 years. The Redline lives up to its famous past, providing a secure platform for any intermediate skier to improve on, or just enjoy their skiing. The transitional base means predictable edge changes and a stable ski behind the boat. Some latest technology for 2020 has been incorporated into the Redline, including a korad base, PU core and Graphite Composite layup means it is no slouch out of the turns and across the wakes. A little extra width makes starts easier and provides a gentle ride no matter what conditions the lake or river throw at you. Try it and find out why the Redline is one of the biggest selling skis of all time.
