Description

The Intent is the epitome of a performance boat board. It's fast, insanely responsive, has the explosiveness of a rocket-ship, and lands softer than an astronaut doing jumping jacks on the moon. While riding flat, it's loose and lively but put it on edge, and a mind-warping connection between you and the board builds as it morphs into an all-out wake charging machine. From this feeling on the water to the explosiveness off the wake, the Intent is in a league of its own, capable of elevating everyone's perception of what's possible on a board.

Features:

- VECTOR NET
- FEATHER CORE
- CENTER SPINE
- VARIABLE BEVELED EDGE
- DELTA BASE
- PULLED-IN TIPS
- 4 REMOVABLE FINS
- 3-STAGE ROCKER: This rocker line is generally flatter between the bindings but dramatically angles upward towards the tip and tail. This explosive rocker line generates a more aggressive and vertical pop off the wake
