Description

OBRIEN SOB WAKEBOARD

Versatility that excels in the park and behind the boat

Year after year, the S.O.B. continues to be the most versatile board on the market. Its abrupt transitional flex pattern delivers a playful, snappy response on the water, tons of flex in the tip and tail for pressing, and a solid platform between your feet for charging kickers and riding away on big landings.

It is a true all-around board that every rider can appreciate... even boat riders. Since day one, Sean has sworn that this is the best board he's ever ridden behind the boat and that it has completely reshaped his views on having fun on the water. Sean isn't alone on that; we keep hearing it more and more from other boat riders.

- Abrupt Transitional Flex
- Park Performance Rocker
- Fusion Core
