Description

JOBE SONIC WAKESURFER

Introducing the Jobe Sonic wakesurfer! This high-end wakesurfer is a hybrid which comes with a lightweight EPS foam core and is as light as can be. Want to do some tricks? Maybe just cruise behind the boat? The Sonic is your quiver killer that can do it all! Added channels in the tail and a double concave ensure floatation and control. A board for the beginner and intermediate rider that wants to progress and improve their wakeskills.

- 3 nylon fins
- Beginners and intermediate board
- Double concave tip and center
- Extra channels in the tail for traction
- High pressed compression molded
- Light weight machined EPS foam core
- Machined Grooved EVA deck with extra tall tail kick
- Rocker: 2.1" | 5,33 CM
- Thermoformed
- Wakesurf style
- Recommended rider weight: Up to 90kg | 200 lbs
- Dimensions: 135,5 cm x 51 cm | 53,3" x 20,1"
