Description

The Jobe Leona 10.6 SUP is the new addition to the 2021 collection. This new SUP has the high quality that you can expect but for a more attractive price!

The board has all the technical aspects like a stringer on the top and an X-Foundation construction for a lighter SUP that performs better.

While the shape of the board makes this a true all-rounder that is perfect for the recreational SUP fan who wants to do everything!

FEATURES:

- Heat bonded technology: more layer quality and safety
- Non-slip EVA foam pattern, allows comfortable long term SUPing
- Lightweight X-dropstitching construction

- Stringer on top and bottom for more stiffness
