Description

JOBE RIDGE TOWABLE 1P

Check out the Ridge 1P. The inner material has been made of heavy duty 24G PVC, which makes this tube strong & light for a lively feeling on the waves. Likewise, the outside has been made of double-stitched 420D to ensure durability and quality. The 4 neoprene knuckle guard handles offer grip and comfort. Connect and disconnect the rope in a flash of a Ridge strike with its quick rope connector. Jobe's Ridge towable has a drain to guarantee good water release after a stormy ride.
