Description

JOBE AIRSTREAM TOWABLE 3P

Seatbelts fastened? Climb on board on the Airstream and be prepared for a bumpy ride. This is one of our top sellers and for a good reason.

Due to its 6 strategically placed comfy foam-filled handles Jobe's Airstream allows different riding positions. The Airstream is manufactured with a 840 denier nylon cover, which makes the Airstream stronger than most competitors. It's well-thought out form gives users a lively, energetic feeling and make them literally fly over water. A one way valve and quick connector make this tube super user-friendly.
