

Wiley Rear Slalom CBO Waterski Binding

The CBO binding was developed for a former employee that needed a boot that could be put on with little effort (due to...lets just say his in inflexibility). The thruth is that the boot was named the CBO for (Can't Bend Over). If you are looking for a fixed binding that gives better support then any adjustable binding on the maket, but is easy to get into, then this is the binding for you.
